Sweetness literally filled the air as the cookies were distributed by volunteers to the In-patient unit. Students from *The Prep Singers* joined by some singers from *Millsaps College* delighted the patients and their families with Christmas carols punctuated by a few **HO-HO-HO's** from **Mr. & Mrs. Santa Claus**.

"One of the student's grand mother had stayed with Hospice Ministries during her illness and the family had been impressed with her care. The granddaughter suggested that the class give "Holiday Goodies" to the patients at Hospice and the class agreed", commented Sherry Winstead, Sunday school teacher.

Special Thank You's & Announcements

This year's Christmas cards sent to the volunteers were extra special. They were donated by one of our dear patients who wanted to give back to the volunteers some of the kindness that Hospice Ministries has given her.

Christmas Gifts Given Throughout the Year.

We would like to say a very special **Thank You** to **Christ United Methodist Church** and **First Baptist Church of Madison** for the flowers they donate to Hospice Ministries.

Also to **Bob & Jo Jones** who take the time to pick up and deliver these beautiful flowers to Hospice Ministries almost every Monday morning. The picture above came from the large donation of Poinsettias the Church sent the last week of December. These flowers made such a difference in the patient's rooms and halls of the Center. **Thank You.**

A **Special Thank you** goes to **Ella Weston** and her husband (Bob) for playing Mr. & Mrs. Santa Claus who brightened the day for our patients and their families.

Ella is seen here, as 'Witch Helda' for Halloween, with a few friends from the In-patient Unit as we delivered "Halloween Bags of Goodies" to the patients and their families.

(l-r) Ella Weston (volunteer); Shelia Carter, RN; Debra Priester (Coordinator of Inpatient Care), and RN, Beverly Coleman.

We would like to say **Thank You** to **Volunteer Billie Henry** for delivering the donated flowers from **Kroger on I-55** every week during the month of December to add to our patient's rooms. We would also like to thank her granddaughter **Haley Mason** for making hand made Christmas cards for all the staff and in-patients at the Ridgeland location.

Welcome to the world "Little Jack Steadman".

Gifts to hospice show what the love of one girl can do.

Seamstress knows personally the value of agency's care

Katelyn Hougiam, 8, shows off one of several gowns she sewed to benefit Hospice Ministries in Southaven.

After reading in her Colonial Hills Church bulletin that volunteers were needed at Hospice Ministries in Southaven, Katelyn Hougiam, (age 8) wanted to help.

Having recently had a grandparent to die while in hospice care in another state, Katelyn wanted to help in her community and honor the great care that her grandparent received.

Even at a young age, Katelyn has an astonishing talent for sewing and has gotten her 4-H troop involved in helping her sew gowns for hospice patients. She is truly an amazing young lady from whom we all can learn.

"Katelyn touched my heart so much that I wanted others to see that, if an 8 yr. old can make time to care and help others, we all can in some way." said Wendy McKenzie Social Worker for Hospice Ministries, Southaven.

**Have a wonderfully peaceful and happy
New Year.**

**And over and above...
filled to overflowing -
a heart that gives him love.**

**Give me...
ears that hear my brother's cry,
eyes that see his need,
feet that bear me to his side,
hands, that heal and feed.**

Today

Every Wednesday, a service is held at 10:00 a.m. in the Chapel at the Ridgeland Center for all who like to attend. During the last service of 2005 Chaplain Richard Brogan stood and read this prayer as one for the New Year. I want to pass it on to you.
